

## 2013-2014 Adult Education Grant Application

### Appendix G – Example Application Answer Table

For Section III, Parts C and D, answers should indicate how adult education providers in the consortium will address the values listed. In order to differentiate between provider answers, DWD strongly encourages the use of a table such as the one below. Applicants may feel free to utilize a different method or table to differentiate answers.

#### *Example*

<b>Question Number</b>	<b>Section III, C1</b>
<b>Name of Adult Education Program Consortium Member</b>	<b>Narrative Response</b>
Jefferson Adult Education	Jefferson plans to hire three (3) tutors who will work 10 hours a week each to assist lower leveled learners in our ABE and ESL classes. Jefferson also plans to hire another teacher in order to increase class offerings to morning, afternoon and evening classes four days a week.
Monroe Adult Education	Monroe plans to hire two tutors who will work 5 hours a week to assist students in ESL classes. Monroe also plans to utilize online remediation software in addition to required class attendance with all students who reach Low ASE or higher.
